MOSES LAKE, WASHINGTON

Moses Lake, Washington, is situated on the shores of the lake that inspired its name and it is centrally located between Seattle and Spokane on Highway 1-90

between fields of agriculture, freshwater lakes and popular recreational destinations. The area enjoys on average 300 sunny days a year and recreational opportunities abound with world-class fishing, hunting, biking, hiking, camping, golf, boating, ballooning and hydro races. Moses Lake is situated in central Washington State in an outdoor recreation mecca. Moses Lake is the lake that shares the City's name and many visitors come to enjoy water sports activities on Moses Lake. The lake has 120 miles of shoreline, covering 6,500 acres, and is one of the largest natural freshwater lakes in the state.

The Surf 'n Slide Water Park is also a top attraction for Moses Lake and it is considered the state's premier outdoor aquatic center. The water park is open from Memorial Day through Labor Day, and the main features are the 200-foot water slides, the lazy river, the surfing simulator, the beach and bay swimming area, and sand volleyball courts.

Moses Lake is host to several festivals and other community events throughout the year, such as tournament league baseball, Moses Lake Rodeo Roundup, and the Moses Lake Spring Festival. Held over Memorial Day weekend, this festival kicks off the summer tourist season. Entertainment includes live music performances, a Kiddie Parade, a Grand Moonlight Parade, carnival-style rides and games, a car show and a basketball tournament. Moses Lake is also home to the Grant County Fairgrounds which hosts an annual fair, as well as other events throughout the year.

Moses Lake's history is rooted in its place in aviation history as the city grew up around the former Larson Airforce Base which is now the Grant County International Airport. Moses Lake also has a backbone economic base in agriculture, and it is still known for its fresh tree fruit and a variety of crops associated with the food processing industry.

Manufacturing and technology have become important to the local economy as several companies have moved to the area, including Aerotec, REC and Chemi-con, complementing the Boeing presence at the Port of Moses Lake/Grant County International Airport.

The Port of Moses Lake operates the Grant County International Airport, one of the largest airports in the western United States. The airport is now a world class heavy jet training and testing facility that has been used by the Boeing Company, the U.S. Military, and many air carriers from around the world.

The Moses Lake School District has ten elementary schools, three middle schools, one high school, the Real World Academy (a "maker's" high school) in development and a technical skills center, which together offer a high quality of teaching and many extra-curricular activities to its students. Moses Lake is also home to Big Bend Community College which provides higher education opportunities for the region and enrolls over 4,000 students a year. Recent investments in the BBCC campus and its programs make it one of the top community colleges in the state.

Moses Lake has a growing arts and culture scene fueled by Columbia Basin Allied Arts based at Big Bend Community College, the Moses Lake Museum and Arts Center, and designs on a revitalized downtown/creative district.
