

# Applying to a Position at Jefferson County?

## Worried About Housing?

Jefferson County is here to assist you.

We understand why people fall in love with Central Oregon. We also know that due its popularity, housing can be scarce.

Don't let that dissuade you!

A rental property is now available for recently hired County employees moving into the County. This property is available on a first come first serve basis, and priority will be given to hard to fill positions.
