THE REGION

Surrounded by the 1.6 million-acre Gunnison National Forest, Gunnison County is considered the “unspoiled heart of Colorado.” The area encompasses some of the wildest and most beautiful terrain in the world, including Colorado’s largest body of water, Blue Mesa Reservoir, as well as Black Canyon National Park, Curecanti National Recreation Area, and 2,000 miles of trout streams. Over 85% of Gunnison County is under public ownership, which provides year-round outdoor recreation opportunities, including kayaking, boating, rafting, fishing, hunting, hiking, mountain biking, rock-climbing, camping, and skiing.

Gunnison County has a population of about 17,200 residents and covers 3,259 square miles. Over 60% of the dwelling units in the County are second homes and vacation rentals, so the permanent population number is a bit misleading as the services and complexities are more akin to a larger jurisdiction. Located in the Rocky Mountains at 7,700 feet above sea level, Gunnison enjoys warm summers and cold winters with moderate snowfall. The economic base is primarily tourism, followed by education, ranching, and natural resource extraction. Gunnison County is rich with mineral deposits and grazing lands, allowing ranching to still play a prominent role in the economy, lifestyle, and character of Gunnison County. The Elk Mountains dominate the County, topping out in the northeast at 14,000 feet with the peaks that form the Continental Divide. The Crested Butte Ski Area opened in 1963, making Gunnison a popular destination for snowboarders and downhill skiers looking for a world-class ski experience and challenging slopes.

Gunnison County is a wonderful place to raise a family and otherwise be part of a vibrant, close-knit, interconnected community representing a variety of viewpoints and interests. Crested Butte Community School is one of the highest ranked public high schools in Colorado and the United States, according to *U.S. News and World Report*, and the Gunnison public school district, which includes the schools in Crested Butte and Gunnison, is ranked among the top 15 districts in the state.

In 2010, Gunnison County ranked first nationally for highest life expectancy for men (82 years old) and fourth nationally for women (84 years old), according to data from the U.S. Health Map. Gunnison County also benefits from a highly educated population, with over half of the County's population age 25 having obtained a bachelor's degree or higher. In addition, the area offers some of the best outdoor recreation opportunities in the nation if not the world, including downhill and backcountry skiing, Nordic skiing, dog sledding, snowshoeing, snowmobiling, ice fishing, mountain biking, horseback riding, boating, fly fishing, hunting, rafting, kayaking, hiking, backpacking, trail running, and camping.

Gunnison is also home to Western Colorado University, one of the state's top four-year fully accredited undergraduate institutions has also been hailed as a "Top Adventure School in the West" by Elevation Outdoors magazine. Gunnison-Crested Butte Regional Airport serves the valley with both commercial airline and general aviation flights. Gunnison Valley Rural Transportation Authority operates bus service between Gunnison and Crested Butte serving Western Colorado University and Crested Butte Mountain Resort. Bus service to Denver from the Gunnison Valley is also available.
