THE COMMUNITY

Tillamook County, nestled along the Oregon Coast, is a place of unparalleled natural beauty where the forest meets the Pacific Ocean, and where the warmth of our tight-knit communities, local markets, and culinary and cultural opportunities create a welcoming atmosphere. Home to 27,748 residents and visited by 3.2 million visitors each year, the region is one of Oregon's most diverse coastal destinations with its breathtaking coastline, lush forests, and pristine rivers. The County offers four adventure-filled seasons of world-class hiking, beachcombing, fishing, seafood harvesting, and surfing, along with many other recreational activities. The area is rich in culinary options from seafood to fresh local meats and produce. The County is home to numerous famous attractions including the Three Capes Scenic Loop, Oswald West State Park, North Coast Food Trail, and the Oregon Coast Scenic Railway. Tillamook is also the home of world-famous Tillamook Cheese, and the dairy, agricultural and fishing industries are major contributors to the local economy. Tillamook County residents enjoy a relaxed coastal lifestyle with thriving communities, excellent schools, local healthcare, and a strong sense of community.

THE COUNTY & DEPARTMENT

Tillamook County, Oregon is comprised of three elected members who oversee the County's 24 departments and overall operations.

The Information Services Department operates with a full-time staff of eight (8) FTEs, on a FY 2024/2025 annual budget of \$2,078,600. The Department is responsible for: network services, web and graphic design, personal computer support, telephone and voicemail services, end user training, informational resources management, information availability, database and programming services, communications equipment and systems, public safety radio networks, disaster recover planning and services, and technology leadership.

THE POSITION

Reporting to the Board, the Information Services (IS) Director directs the IS Department and is held accountable for its successful functioning. The Director monitors and evaluates the progress of the Department toward meeting goals and makes adjustments in objectives, work plans, schedules, and resource commitments.

The IS Director provides day-to-day leadership and supervision to the other IS personnel, and manages, directs, organizes, and coordinates the activities of the County's Information Services and Communications Division, including systems, development and maintenance, office automation, technical support, and computer operations. The Director will coordinate the IS activities with other divisions, departments, and users, as well as analyze the procedures and work plans of user departments to determine feasibility. The IS Director is a full-time, onsite position at the County.
