

Position Description

Job Title:	Director of Finance
-------------------	----------------------------

Department: Finance
Pay Grade: Level 3
FLSA Status: Exempt
Testing Status: Not Safety-Sensitive

JOB SUMMARY

This role supervises Skagit Transit's comprehensive financial management, ensuring the financial integrity of the accounting system and accurate analytical reporting. The position manages budget development, financial risk systems, public records management, and administrative processes. It is responsible for assessing and managing financial and other liability risks, including property management risks. The role also oversees internal controls, monitors cash flow, evaluates and reports expenditures, and prepares financial and operational reports. The position supervises the Accounting Manager and ensures fiscal and administrative services comply with State and Federal laws, regulations, and requirements. The Director of Finance also manages grant funded projects accounting and oversees the annual audits, and the IT contractors. This position also serves as a member of the Agency's management team and is integral to the achievement of Skagit Transit's strategic objectives.

ESSENTIAL JOB FUNCTIONS:

- Lead, mentor, and evaluate the performance of the finance team, including the Accounting Manager and other fiscal and administrative personnel, to ensure high performance and alignment with Skagit Transit's goals.
- Develop and implement agency fiscal policies, procedures, and processes.
- Oversee that the Accounting Manager is in compliance with generally accepted accounting principles (GAAP), GASB, IRS, state, and FTA requirements.
- Plan, organize, schedule, assign and participate in financial management activities.
- Analyze and review financial statements to ensure accuracy and compliance.
- Direct the preparation and maintenance of comprehensive records and reports.
- Prepare financial and operating reports; provide financial analysis and narrative of issues impacting the Agency's financial condition.
- Develop and implement appropriate internal controls.
- Manage IT related projects using standard project management tools and protocols
- Build and maintain IT vendor relationship including management of IT vendor performance and contracts

- Oversee and manage the agency's procurement function.
- Make hiring, termination and disciplinary decisions and recommendations for the Finance and IT departments.
- Consolidate departmental budgets and submit the agency budget to the Executive Director and the Board.
- Analyze agency financial statements and cash flow.
- Make investment decisions according to agency and Board policies.
- Monitor the compliance and accounting for grant funded projects.
- Plan, develop and implement the agency's risk management function.
- Prepare and present oral and written reports to the Board regarding agency finances and risk management.
- Ensure financial, clerical and other administrative support is available for agency administration and departments.
- Prepare reports as required by Board, cities, county, state and Federal agencies.
- Act as the Internal Auditor & Treasurer of the PTBA as authorized by RCW 36.57A.130, ensuring financial compliance and managing the organization's treasury functions.
- Serve as the Liaison Officer for the Agency's Disadvantaged Business Enterprise (DBE) Program, ensuring the program's alignment with Skagit Transit's strategic goals and compliance with applicable regulations."
- Oversee public disclosure requests and procedures.
- Review, analyze, and make recommendations to the Executive Director and the Board of Directors on internal audit issues and Federal compliance requirements.
- Prepare all compliance documentation related to all of Skagit Transit operations and management.

MINIMUM QUALIFICATIONS:

- Any equivalent combination of education and experience that provides the knowledge, skills and abilities required to successfully perform the job. A typical way to meet this requirement would be:
- Undergraduate degree in Finance, Accounting, or related field.
- 3 years of supervisory/leadership experience
- Knowledge of Generally Accepted Accounting Principles (GAAP) and Generally Accepted Auditing Principles for Public Sector
- Knowledge of Government Accounting Standards Board (GASB) and Single Audit Practices/Requirements
- Knowledge of Government Finance Officers Association GFOA standards
- Experience with Grant Accounting/Management for a Government Entity
